# NOVEMBER

## In the Academy

Hello Families,

I hope you all had a festive, fun and not too spooky Halloween! This year our Trunk or Treat event returned with a bang! We had 12 families and 3 team members sign up to decorate trunks. We also had a wonderful turn out from our Kiddie Academy of Chesterfield community!

With the turning of the month and the changing of the weather we are looking at a fun filled November. We will be holding a special "election" on Tuesday the 5th. We will be making the very important decision and will vote for what to have for lunch that Friday!

Sincerely,  
Emily Page, Academy Director

## Curriculum

This month our students will learning about transportation, harvest and autumn, apples and pumpkins, and eating healthy through our Life Essentials Curriculum! Our character education focus for November is We are Thankful.
